Non-disclosure agreement:

I am employed in technical service operations and authorized to accomplish work on Daimler products. With access to the IT-system TIPS, I will receive technical information concerning Daimler products and vehicle systems. If I should leave this field of operations for any reason, I will announce the change immediately.

I commit myself to handle information and analyses confidentially and to not pass on information to any external parties (including family members or employees, which are not involved with the respective product). In case of any doubt I am required to get authorization before passing on information.
